English Summer School

Volunteers Needed!

We would love to have you volunteer in our summer school program! We need your help teaching elementary-age students English and literacy skills.

Volunteers will be doing the following things:

- listening to students read and discuss books with them to increase reading comprehension, explaining words they don't understand
- helping students take a simple comprehension test on the computer on books they read
- helping students practice basic vocabulary
- helping students who are not yet reading learn letters and sounds

We will train volunteers to do these activities with students.

Training for volunteers: Ellis Elementary 348 W 300 N, Logan, Utah

The training will be less than an hour. I will be available for questions afterward. You will only need to attend training one time. If you want to volunteer but cannot come to training, we can train you the first time you come to volunteer.

- Thursday, June 8, 2023, from 6:00-6:50 pm
- Monday, June 12th, from 6:00-6:50 pm
- The following Tuesday nights, June 13, 20, and 27, from 6:00 to 6:50 pm.

Please fill out the following form and return it to Kathy Sherman at Ellis. You can email it to me or fill one out when you come to a training.

If you have any questions, please call Kathy Sherman at (435)754-6395. Or send an email:
